WHO WE ARE...

The Rhode Island Cross Disability Coalition is a statewide advocacy organization that began in 2009.

The Coalition is the only one in RI that includes people with different types of disabilities who represent themselves or other organizations.

We meet together quarterly to talk about the issues we have in common and promote and advocate for solutions and the best quality lives for all people with disabilities.

Give us a call to find out more information at **401-737-1238**.
