SPEAKERS BUREAU PROGRAMS ADDRESS IMPORTANT TOPICS:

PERSON CENTERED PLANNING...It's all about YOU! You're life. Your Future. You decide.

Explore your gifts, dreams, ideas. Understand the process to talk about what you want and need in your annual Plan.

EMPLOYMENT...This is a basic introduction and Q&A on the importance of employment. You have skills or can learn skills that are important that employers want in their employees. You can work and earn money in a job. Think about your potential job skills and explore your options and learn about available resources from agencies.

OWNING YOUR OWN BUSINESS...You can be your own boss! You don't have to work for someone else. You can work for yourself, full or part time, if you want. Get inspired by people who already own their own business.

BUILDING SOCIAL SKILLS & SELF ESTEEM... "LIFE IS GOOD!"...Your ideas and opinions are important. You can be involved in your local community. Learn how other people live the best life possible, including the challenges. Life is good and can get even better for you!

LET'S TALK ABOUT MONEY.. Everyone has some money, from social security, a job or even both. We discuss choices – your choices about how to save or spend money, how to budget, so that you make the most of your money. We share tips on our experiences that may help you to better manage your money.

HEALTHY RELATIONSHIPS...How do you identify a good – or bad relationship? There can be "*red flags*" of things to be aware of. We discuss what may be warning signals or trouble. Become more aware. Feel more confident in your decisions about people. Learn how to build your own trusted, healthy, mutually respectful relationships.

SEXUAL ABUSE AWARENESS...We are experienced in discussing this very important issue. In a confidential, caring, and respectful presentation, we talk about available supports, safety tips to prevent abuse and where you can get individual assistance if you need it.
